If a domestic subscriber has a dispute over a utility bill, he or she may file a written request with the above named person PRIOR to the disconnect date, stating the area of dispute and the relief requested. The above named person shall schedule a conference within fourteen (14) days and notify you in writing by first class mail or in person of the time and place it will be held. No disconnect will be made until the conference is concluded.

Such certificate shall be filed with the utility within ten (10) days of receiving notice and shall prevent the disconnection of the utility's service for a period of thirty (30) days from such filing. Only one postponement of disconnection shall be allowed for each incident of any due account.
